

Wangaratta Stingrays Statement of fees and procedure

Membership Categories

Flexibility is a key philosophy of the Wangaratta Stingrays and the fee categories outlined below are to be used as a guide. Discretion of the committee and coaching staff will always be considered.

Dolphins: This category is designed for the swimmer that is transitioning from learn to swim through to competing in all four strokes. They will generally do 1-3 60 minute sessions per week and in most cases be 10 years of age and under.

Eels: This category is designed for the swimmer who is advancing. They will be doing more sessions with greater intensity. Morning sessions could be part of this. They will be doing 2-4 60 minute sessions per week and usually 11-13 years of age.

Stingers: This is designed for our senior swimmers. They will be doing 90 minute advanced intense sessions that will usually involve morning and afternoon sessions. They will generally be doing 3- 5 or more sessions and be aged over 13.

Absence from training

If a member is to be absent from training for a week or greater, it is the responsibility of the family/member to advise the treasurer or a relevant committee member, in writing, of the absence prior to the absence.

It is respectful to inform the coach of absences, however, **it is not the coach's responsibility** to inform the treasurer of member absence.

Notified absences will not be charged coaching fees.

The club will not charge coaching fees for weeks where a break from training has been scheduled, for example, the week between Christmas and New Year or when the facilities are not available.

Payment

Fees are payable monthly by direct transfer to Wangaratta Stingrays Swim Club account as displayed on the account. The surname and invoice number should be included in the payment.

If any families are experiencing difficulties with payments, please speak with the president, treasurer or secretary. All matters will be handled confidentially.
